

Quality

The entire line of IBM branded Replacement Toner Cartridges is manufactured in facilities which are certified under the ISO 9001-2000 standard. Additionally, the manufacturing process is monitored using statistical process controls. IBM continually focuses on delivering high quality products to our customers.

This product is distributed, manufactured, and sold by the Turbon Group. Turbon is the sole and exclusive provider of warranty and support of this product. Complete product warranty and support information can be found inside the product package. Customers will now have a low cost alternative without compromising quality.

Value

We know that IBM quality makes IBM customers comfortable. We took it a step further and gave you a low price.

Please contact Turbon by phone for questions, comments, warranty or support related to this product.

**IBM Replacement
Toner Cartridges for
HP LaserJet Printers**

IBM Quality makes you comfortable
Our value lets you relax

Listening to the needs of customers

Customers have asked us to deliver a high quality alternative to high priced HP LaserJet cartridges. They want to save money and to experience the comfort of IBM quality.

We met these demands by introducing a line of IBM branded Replacement Toner Cartridges.

That's comforting.
